

WINiT**Advocating for gender equity
in business travel****Who We Are**

The GBTA Foundation was launched to collectively galvanize the corporate and business travel community to build skills, transfer knowledge, create joint solutions and advocate for meaningful industry action and investment around People and Planet – for the public good.

Why WINiT Matters

GBTA WINiT advocates for gender equity in business travel related industries by serving as a catalyst to drive change, offering programming for women to thrive throughout the lifecycle of their careers, fostering a global network of women and men of all levels.

**Advance gender equity**

Become an advocate for women, address systemic issues, and work towards creating a more inclusive industry.

**Empower women to
grow professionally**

By supporting programs and initiatives that address leadership development, you can directly impact the lives of women.

**Enhance brand exposure
and increase loyalty**

Leverage your skills, knowledge, and professional networks to benefit the GBTA WINiT organization and its cause.
